

Asphalt Roller Operator - Calgary

At Volker Stevin, our employees are key to the success of every project, contributing to the legacy we build within the communities we serve. If you're ready to take on a challenging, hands-on role where safety, teamwork, and growth are paramount, we encourage you to join our dynamic team. Together, we'll continue to set the standard for excellence in construction.

The roller operator is responsible for the safe and efficient operation of breakdown rollers, rubber tire rollers, and finish rollers. This role involves distributing, breaking down, compressing, and finishing the surface of cooling asphalt in multiple stages: breaking down asphalt with a breakdown roller, compressing it with a rubber tire roller, and applying the final finish with a finish roller.

How You'll Add Value

- Operate breakdown rollers, rubber tire rollers, finish rollers, and other heavy equipment safely and efficiently.
- Perform regular maintenance and safety checks to ensure equipment reliability and functionality.
- Perform successive overlapping passes to compact subgrade and asphalt surfaces to the required smoothness and compaction levels.
- Adjust roller speed, pressure, and direction based on material compressibility, temperature, and project requirements to prevent ridges or surface imperfections.
- Operate breakdown rollers to massage and compress hot mix asphalt during the initial compaction phase.
- Operate rubber tire rollers to further compact hot mix asphalt to specified standards.
- Apply the final finish using finish rollers to remove imperfections and achieve the desired smoothness.
- Train and mentor new employees on the safe and effective operation of rollers and other construction equipment.
- Assist with other heavy equipment operations and general construction tasks as required to support project goals.

What You Bring

- High school diploma or equivalent
- Valid Class 5 Operator's License; with clean Driver's Abstract
- Heavy Civil Construction or labor experience is an asset
- Must be physically able to repetitively lift and carry at least 50 lbs. on a regular basis.

Note: Pre-employment Drug and Alcohol Testing will be required.

Our Commitment to You Connecting People with Progress

Safety Isn't Just a Priority—It's a Value. Safety is woven into the fabric of who we are and how we operate. It's not a box we check off; it's a commitment that guides every decision we make, every process we implement, and every project we undertake. Because at the end of the day, when we say safety is a value, we mean it's a promise we make to our people, families, and the communities we serve.

True to Our Word, True to Our People. Our culture is grounded in humility and authenticity, with a deep commitment to family. We believe in supporting each other, no matter the role or title. When we say we care, we mean it—our actions match our words. Everyone is empowered, valued, and respected, because being 'true to our word' means being 'true to our people.'

Interesting Projects and Skill-Building Work. Volker Stevin is known for its ability to take on complex projects of all sizes, from large-scale infrastructure builds to specialized niche developments to highway maintenance and more. This diversity in project scope and complexity means that our employees have access to new opportunities across our family of companies that challenge them to think creatively and develop new skills.

Join a Team Where People Truly Matter About Volker Stevin Contracting

Since 1978, Volker Stevin Contracting has been a leader in civil construction, proudly serving Calgary and surrounding areas. We specialize in building essential infrastructure like water, sanitary, and storm-deep utilities, grading and paving, and asphalt manufacturing. Our commitment to Safety, People, and Performance ensures that every project is completed on time and on budget, delivering lasting value to the communities we serve.

The Volker Stevin family of companies includes Volker Stevin Canada, Volker Stevin Contracting, Volker Stevin Highways, Mainline Construction, McNally Contractors, Lakes District Maintenance, H. Wilson Industries, and MidMountain Contractors.
