

## Automotive Technician – Aldersyde

At Volker Stevin, our employees are key to the success of every project, contributing to the legacy we build within the communities we serve. If you're ready to take on a challenging, hands-on role where safety, teamwork, and growth are paramount, we encourage you to join our dynamic team. Together, we'll continue to set the standard for excellence in construction.

Reporting to the Shop Foreman, the Automotive Mechanic supports the Equipment Division and field operations by maintaining and repairing equipment. This role involves troubleshooting mechanical issues, performing repairs, and ensuring equipment operates at maximum reliability and functionality. The mechanic plays a key role in minimizing downtime and contributing to the overall efficiency and safety of operations.

### How You'll Add Value

- Identify faults and use testing equipment to diagnose malfunctions, determining the extent of repair.
- Test machinery for proper functioning and conduct other routine maintenance work.
- Service attachments and working tools.
- Plan repair procedures using charts manuals and experience.
- Test the functionality of parts and systems.
- Perform basic auto care and maintenance tasks such as oil changes, fluid level checks, and tire rotation.
- Repair and replace brake pads, wheel bearings, sensors, and other parts.
- Perform routine maintenance and general mechanic work on vehicles.
- Road test and inspect vehicle engine and mechanical/electrical components to diagnose issues accurately.
- Perform automotive repairs including front-end, engine repair, tune-ups, brake systems, transmission, oil changes.

### What You Bring

- High school diploma or equivalent
- Valid Class 5 Operator's License; with clean Driver's Abstract
- Automotive and engine repair experience or auto mechanic training is required.
- Excellent knowledge of mechanical, electrical, and electronic components of vehicles.
- Heavy Civil Construction or labor experience is an asset
- Expert abilities in all aspects of equipment repair and maintenance.
- Physically able to perform duties (i.e., lift to 50-100 lbs.).
- Basic writing skills. Basic hand tool skills.
- Computer experience, as it relates to documentation and equipment diagnostic systems.
- Ability to work independently as a problem-solver and to professionally represent the company.

**Note: Pre-employment Drug and Alcohol Testing and Fit for Work Testing will be required.**

## Our Commitment to You

### Connecting People with Progress

**Safety Isn't Just a Priority—It's a Value.** Safety is woven into the fabric of who we are and how we operate. It's not a box we check off; it's a commitment that guides every decision we make, every process we implement, and every project we undertake. Because at the end of the day, when we say safety is a value, we mean it's a promise we make to our people, families, and the communities we serve.

**True to Our Word, True to Our People.** Our culture is grounded in humility and authenticity, with a deep commitment to family. We believe in supporting each other, no matter the role or title. When we say we care, we mean it—our actions match our words. Everyone is empowered, valued, and respected, because being 'true to our word' means being 'true to our people.'

**Interesting Projects and Skill-Building Work.** Volker Stevin is known for its ability to take on complex projects of all sizes, from large-scale infrastructure builds to specialized niche developments to highway maintenance and more. This diversity in project scope and complexity means that our employees have access to new opportunities across our family of companies that challenge them to think creatively and develop new skills.

## Join a Team Where People Truly Matter
