

Heavy Duty Technician Journeyman - Aldersyde

At Volker Stevin, our employees are key to the success of every project, contributing to the legacy we build within the communities we serve. If you're ready to take on a challenging, hands-on role where safety, teamwork, and growth are paramount, we encourage you to join our dynamic team. Together, we'll continue to set the standard for excellence in construction.

The Heavy-Duty Journeyman Technician is responsible for diagnosing, maintaining, and repairing mechanical and electrical systems on a wide range of road construction equipment and light fleet trucks. This role focuses on minimizing equipment downtime, reducing repair costs, and ensuring all machinery operates safely and at peak efficiency. The technician plays a critical part in maintaining operational continuity and extending the lifespan of essential equipment through preventive maintenance and timely repairs.

How You'll Add Value

- Perform maintenance and repair activities on various pieces of heavy equipment, including but not limited to pavers, loaders, skid steers, graders, excavators, dozers, backhoes, and trucks.
- Inspect, repair, and adjust gasoline and diesel-powered units.
- Diagnose, service, and repair various systems found on pieces of heavy equipment, such as mechanical and computer electronic controls, air brake systems, transmissions, high-voltage generators, propane-powered equipment, and pneumatic systems.
- Perform routine maintenance checks and adjustments to fluid levels, hoses, belts, brakes, tires, and clutches.
- Diagnose problems, disassemble units, repair or replace parts, and reassemble units.
- Maintain service logs and records of maintenance on vehicles and motorized equipment.
- Keep tools, equipment, and the work area clean, organized, and in good working condition.
- Other mechanic and shop duties may arise.

What You Bring

- High School Diploma or G.E.D. preferred.
- Accredited Heavy-Duty Technician.
- Class 5 Driver's License.
- Off-Road experience is an asset.
- Must be physically able to repetitively lift and carry at least 50 LBS on a regular basis.
- Must comply with Drug and Alcohol testing requirements.

Note: Pre-employment Drug and Alcohol Testing will be required.

Our Commitment to You

Connecting People with Progress

Safety Isn't Just a Priority—It's a Value. Safety is woven into the fabric of who we are and how we operate. It's not a box we check off; it's a commitment that guides every decision we make, every process we implement, and every project we undertake. Because at the end of the day, when we say safety is a value, we mean it's a promise we make to our people, families, and the communities we serve.

True to Our Word, True to Our People. Our culture is grounded in humility and authenticity, with a deep commitment to family. We believe in supporting each other, no matter the role or title. When we say we care, we mean it—our actions match our words. Everyone is empowered, valued, and respected, because being 'true to our word' means being 'true to our people.'

Interesting Projects and Skill-Building Work. Volker Stevin is known for its ability to take on complex projects of all sizes, from large-scale infrastructure builds to specialized niche developments to highway maintenance and more. This diversity in project scope and complexity means that our employees have access to new opportunities across our family of companies that challenge them to think creatively and develop new skills.
