

Track Loader Operator - Calgary

At Volker Stevin, our employees are key to the success of every project, contributing to the legacy we build within the communities we serve. If you're ready to take on a challenging, hands-on role where safety, teamwork, and growth are paramount, we encourage you to join our dynamic team. Together, we'll continue to set the standard for excellence in construction.

Reporting to the Foreman, the Track Loader Operator is responsible for the safe and efficient operation of a track loader. The operator will perform assigned duties to ensure that completed work meets the standards set by Volker Stevin Contracting Ltd., adheres to company policies and procedures, and complies with Alberta Occupational Health and Safety regulations and contract specifications.

How You'll Add Value

- Use the track loader to backfill trenches, level soil, load trucks, haul aggregates, and move rock/debris
- Operate the track loader within an active site with other heavy equipment and ground personnel, maintaining awareness of surroundings
- Operate a track loader and other heavy equipment safely and appropriately
- Perform pre-operational/safety checks and conduct routine cleaning and maintenance of the equipment
- Follow supervisor instructions regarding the required work area
- Possess a strong understanding of ground disturbance
- Operate other heavy equipment and perform construction-related duties as required
- Have knowledge of underground utility construction materials, processes, and industry requirements
- Understand computerized controls and electronics
- Actively contribute to Volker Stevin Contracting safety culture, promoting a safe and productive work environment

What You Bring

- 2+ years of experience in the underground utility construction industry
- 2+ years of experience operating a track loader
- 2+ years of skid steer (ISO controls) experience may be considered
- Valid Ground Disturbance certificate
- Class 5 Driver's License with a Driver's Abstract showing no more than 6 demerits and no major infractions
- Highschool diploma or GED equivalent is preferred
- In-depth knowledge of underground utility installation, processes, materials, industry standards, and OH&S requirements
- Physically capable of lifting and carrying at least 40lbs on an occasional basis

Note: Pre-employment Drug and Alcohol Testing will be required.

Our Commitment to You

Connecting People with Progress

Safety Isn't Just a Priority—It's a Value. Safety is woven into the fabric of who we are and how we operate. It's not a box we check off; it's a commitment that guides every decision we make, every process we implement, and every project we undertake. Because at the end of the day, when we say safety is a value, we mean it's a promise we make to our people, families, and the communities we serve.

True to Our Word, True to Our People. Our culture is grounded in humility and authenticity, with a deep commitment to family. We believe in supporting each other, no matter the role or title. When we say we care, we mean it—our actions match our words. Everyone is empowered, valued, and respected, because being 'true to our word' means being 'true to our people.'

Interesting Projects and Skill-Building Work. Volker Stevin is known for its ability to take on complex projects of all sizes, from large-scale infrastructure builds to specialized niche developments to highway maintenance and more. This diversity in project scope and complexity means that our employees have access to new opportunities across our family of companies that challenge them to think creatively and develop new skills.

Join a Team Where People Truly Matter

About Volker Stevin Contracting

Since 1978, Volker Stevin Contracting has been a leader in civil construction, proudly serving Calgary and surrounding areas. We specialize in building essential infrastructure like water, sanitary, and storm-deep utilities, grading and paving, and asphalt manufacturing, and shallow utility construction including power, gas, electric, communications, and streetlighting. Our commitment to Safety, People, and Performance ensures that every project is completed on time and on budget, delivering lasting value to the communities we serve.

The Volker Stevin family of companies includes Volker Stevin Canada, Volker Stevin Contracting, Volker Stevin Highways, Mainline Construction, McNally Contractors, Lakes District Maintenance, H. Wilson Industries, and MidMountain Contractors.
